OFFICE OF LEGISLATIVE COUNSEL

Monday- 18 March 1963

25X1

25X1

	wondered if the Ser remarks on the flo- ness investigating : control ever the et- could, but he thoug of the subject matt- said he did not kno- he thought if any of would prefer to wai	Talked with Senator Stennis to tell him the ds his views on the interim report but that the Director ator had given consideration to the possibility of or or elsewhere by any member of the Senate Prepared-bubcommittee or others. The Senator said he had no her senators and if they wanted to make statements they but that statements at this time, covering only portions ir, might do more harm than good. In any case he of any Senator who wanted to make a statement and them did they would talk to him first. The Senator it until his report is ready before anything is said, at the timing on this.	
	2.	Bob Smart, CIA Subcommittee of	
	tion he had with Mi appearing before th	ces staff, called with reference to the telephone conversa Warner on Friday, 15 March, concerning the Director e Subcommittee. The Chairman is free Thursday 25X1 , and we will confirm after final word from the Director.
